

COMPANY PROFILE

**MACOMA
GROUP**

A Legacy of Excellence in Bathroom Fittings

Founded in 1984, Macoma began as a manufacturer of bathroom fittings, exporting quality products to over 21 countries across the MENA region. With a family heritage spanning over four generations in the building materials industry, we have evolved to become the **exclusive distributors of the renowned Italian bathroom fittings brand, Siena, in the MENA region.**

Siena offers a **complete solution for all bathroom finishing needs**, including:

- Fittings: Faucets, Shattafs, Angle Valves, Floor Drains and more
- Other Fittings: Water filters, water pumps & SS Kitchen Sinks
- Bathroom Appliances: Tissue Dispensers, Soap Dispensers, Hand & Blow Dryers
- Sanitaryware: Ceramic WCs and Basins
- Vanity: Mirrors and Cabinets

Our products combine **exceptional value for money** with **uncompromising quality and craftsmanship**, making Siena a preferred choice for discerning clients.

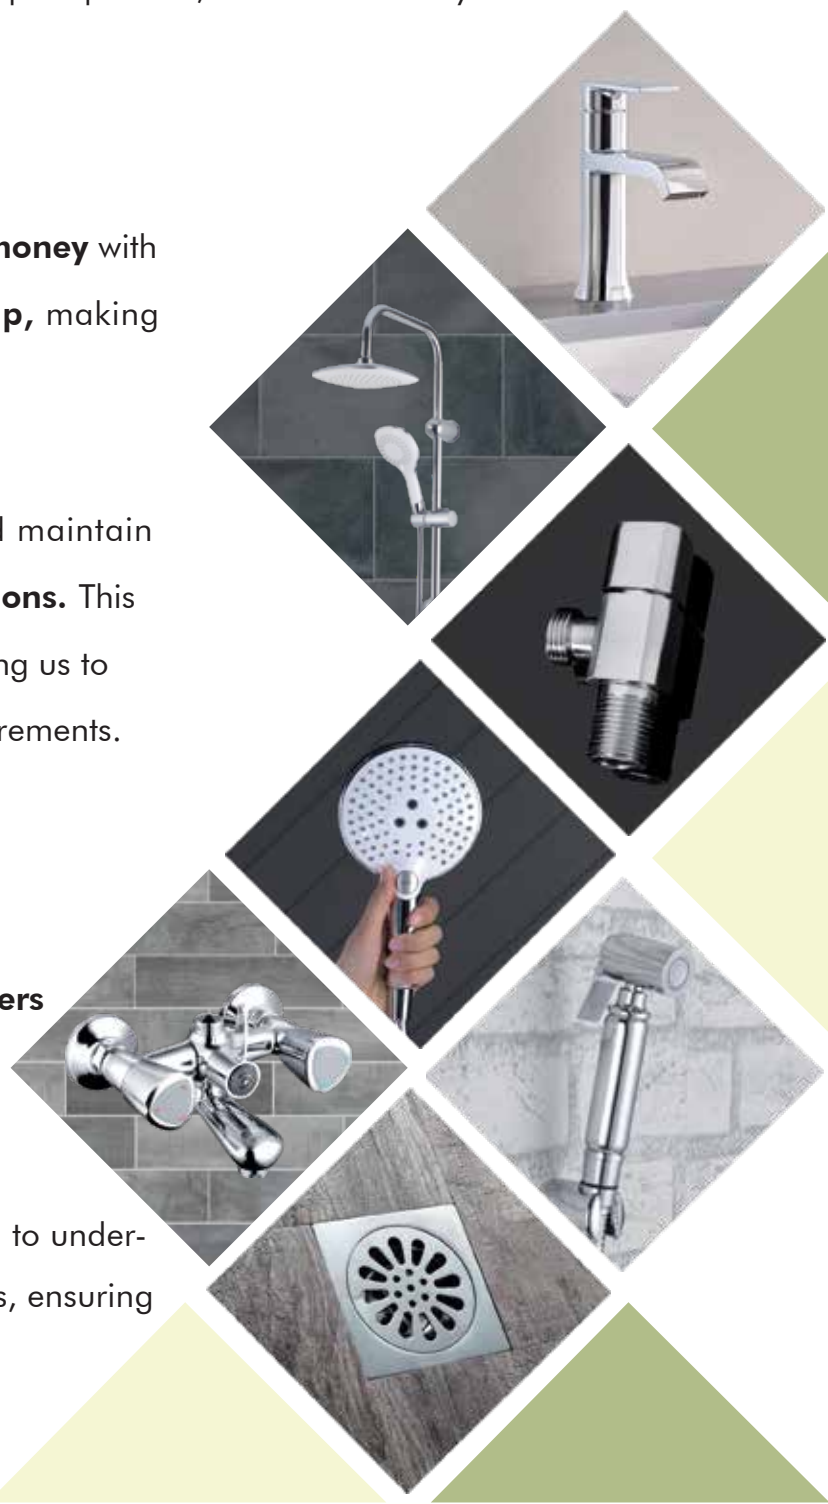

We specialize in **wholesale distribution** and maintain **stock inventories across all our branch locations**. This ensures seamless availability of products, enabling us to promptly and efficiently meet your project requirements.

Our Customers

We serve a diverse range of sectors, including:

- **Building Materials and Sanitaryware Traders**
- **Building Contractors**
- **MEP Companies**

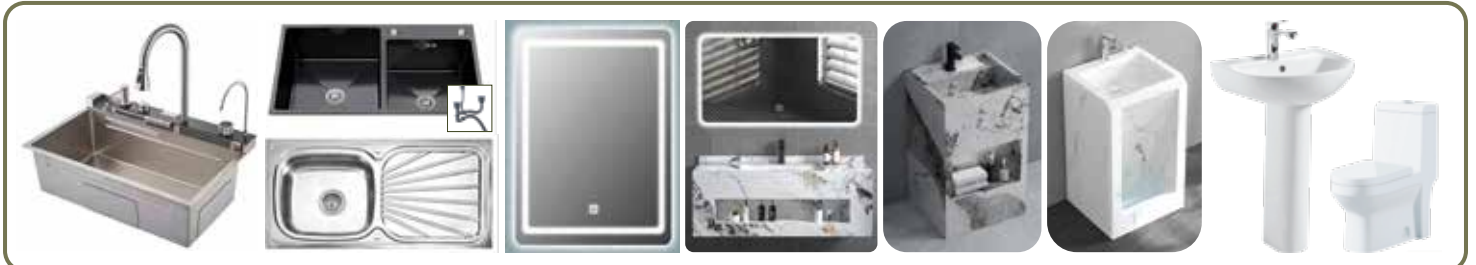

Our **dynamic outdoor sales team** is dedicated to understanding and fulfilling your unique requirements, ensuring seamless service and customer satisfaction.
